

PIC Controls Your Town Commission

**If my opponent is elected, seven of seven commissioners
will be members or former members of PIC.**

This small group of people who make up PIC should not control your town.

**I will bring
INDEPENDENCE
to the Commission.**

I stand for:

**FISCAL responsibility • Government accountability to citizens
Commission oversight of town staff**

The PIC controlled Town Commission continues to waste your money on surveys, studies and consultants. I will always seek to save your tax dollars while working harmoniously with other commissioners.

MILES LEAVITT
FOR
LONGBOAT KEY TOWN COMMISSION**
